

TOPTECH DEALER IMPRINTING FORM

Your Brand Is Important

The **TopTech** dealer imprinting program was designed to make your brand the focus of the installation. Many other private label programs make your company's name secondary to the thermostat brand. At **TopTech**, we'll put your brand front and center, where it should be.

The **TopTech** dealer imprinting program also doesn't require you to stock an expensive thermostat inventory. Just buy what you need and snap off the **TopTech** brand and snap on your brand. It couldn't be easier.
